Brand New Book—

Towervale is the first and only one of its kind.

Three years in the making, *Towervale* is a new series that has a very unique feature specially made for readers who are also gamers.

Towervale is organized into seven sections that are not in order. Each section ends with a password readers must enter in the free *Towervale* game, unlocking a level. When the level is cleared, the next page to turn to in the book is revealed. But there's a catch: If you didn't read the previous section of the book, you'll have no idea to clear the level in the game.

Towervale books can be pre-ordered for \$15 and will also be available to purchase for a short time **after** Patrick's visit. **Checks to be made out to Chester PTA.** These books can not be purchased from stores or from Amazon.
